

Master Clinic Portfolio, Program and Project Management (P3O®)

Target Group

Newly appointed to portfolio, program or project office roles or those wishing to gain formal qualifications after some support office experience. (Support offices may go by many names including Portfolio Office, Centre of Excellence, Enterprise or Corporate Program Office.) The course would be of benefit to those aspiring to a more senior role.

Results

This 2 day course covers the content of the P3O Foundation syllabus and prepares you to take the P3O Foundation exam.

Upon completion of this training you will be able to:

- Recognize and understand the coherence between Portfolio, Program and Project management within organisations.
- Describe the Portfolio, Program and Project management process.
- Develop and implement a P3O department.
- Appoint roles and responsibilities for the P3O model.
- Develop tools and techniques.

What does this training cover?

Partial day 1: introduction, P3O models and lifecycle, roles & responsibilities

Partial day 2: business case & performance measures, tools & techniques

Partial day 3: overview, function & services

Partial day 4: exam 'P3O Foundation'

Material

- Student hand-outs day 1 and 2
- PowerPoint presentation
- Cases
- Practice exam P3O Foundation

Admission Requirements

Knowledge and experience in working systematically. At least one or two years working experience in portfolio or program management.

Exams

At the end of this course, with help of self study, you will optimally be prepared for the exam P3O Foundation.

Practical Information

The training takes three partial days; the exam will take place on the 4th. An indication of the number of study hours is 10 hours. No later than one week in advance will be announced whether the course will continue.
