

## Master Clinic PRINCE2™ Practitioner

### Target Group

This course is aimed at Project Managers, General Managers, Programme Managers, Team Managers and Project Management Consultants who have already achieved the PRINCE2™ Foundation level qualification.

### Course Goal

Measures whether a candidate would be able to apply PRINCE2™ to the running and managing of a project within an environment supporting PRINCE2™.

### Results

Upon completion of this training you will be able to:

- Produce detailed explanations of all processes, components and techniques, and worked examples of all PRINCE2™ products as they might be applied to address the particular circumstances of a given project scenario.
- Understand the relationships between processes, components, techniques and PRINCE2™ products and can apply this understanding.
- Demonstrate and understand the reasons behind the processes, components and techniques of PRINCE2, and understand the principles underpinning these elements.
- Demonstrate your ability to tune PRINCE2™ to different project circumstances.

### Program

Partial day 1: Introduction, the practitioner exam case, exercises for the exam.

Partial day 2: Exercise exam  
.PRINCE2™ Practitioner (3 hours).

Partial day 3: Exam PRINCE2™  
Practitioner (3 hours).
